Let your children explore, experiment, create & enjoy our summer activities.
For children age three (and potty trained) to five years old.

	Pet Shop Would you like to work in a pet shop? Learn about setting up shop and caring for pets in this 3-day summer session. June 1-3	Kitchen Chemistry Use the math and science of the kitchen to conduct experiments, measure, make snacks and other creations. June 7-10	
	Hug a Bug Take the "creepy" out of creepy crawlers. Explore the fascinating world of insects including habitat and social structure. June 14-17	Kindergarten, Here We Come! A fun and exciting highlight of readiness skills and expectations in anticipation of kindergarten. July 26-29	

All sessions 9 a.m.-noon
\$5 per week discount for second child, \$15 discount/child attending any three sessions
1-week notice prior to beginning of session required for refunds

Send children in play clothes and tennis shoes for lots of hands-on indoor and outdoor activities.
We ride tricycles on the playground, so your child will need a properly-fitting bike helmet.

Detach and return bottom portion, keep top portion for your records
